Dear Phillip Fristoe,

It is our pleasure to inform you that your peers have voted you one of *D Home's* Best Builders for 2008. The editors of *D Home* mailed out more than 800 ballots to builder professionals throughout Dallas-Fort Worth and you were one of only 66 builders to receive the distinction. In such a competitive business, this is truly an honor.

Our March/April 2008 "Best of Everything" issue will announce your company name to the world, but we wanted to make you aware in advance. Congratulations and thank you for making our city a more civilized and beautiful place to live.

All my best,
